[Take a look at my Projects](#)

In a nutshell, I'm an SEO-focused digital marketing specialist with 5+ years in both B2B and B2C. I have experience working closely with the leadership team on various marketing activities pertaining to SEO, email marketing, WordPress management, and Google Business Profile optimization. I also carry out ancillary tasks such as creating designs, videos, and AI workflows. If you are looking to streamline your marketing operations and improve your ROI, you have found the right person.

WORK EXPERIENCE

► **SEO Specialist & Marketing Coordinator** | C2C First Aid and Aquatics (Toronto, Canada)

Present

- Increased organic traffic to the website by 7% (from 23k to 25k in 4 months) through On-page and Off-page SEO campaigns.
- For Off-Page SEO campaigns, I coordinated with publishers to create guest blogs aimed at increasing referral traffic to our website and enhancing domain authority. I utilized Ahrefs to identify and audit the most suitable publisher websites for outreach.
- In terms of On-Page SEO, I optimized content for both search engines and AI platforms using Surfer SEO to boost organic traffic. My comprehensive knowledge of keyword research, topical mapping, and internal linking strategies contributed to these improvements.
- Designed and developed interactive and dynamic web pages using Claude AI, Codex, and Elementor, resulting in an increased conversion rate. To track conversions, I employed Microsoft Clarity and Hotjar.
- Conducted technical SEO audits using Google Search Console and SEO PowerSuite.

► **Digital Marketing Specialist** | Innovyne (Toronto, Canada)

Jun 2021 – Oct 2025

- Executed SEO strategies resulting in a 207% increase in website users (8,127 → 25,019) year-over-year.
- Increased sessions by 178% through structured keyword targeting and content optimization.
- Conducted technical audits addressing metadata, internal linking, and crawlability improvements.
- Optimized landing pages with web designing tools to improve search relevance and lead conversion.
- Managed WordPress websites using Elementor, ensuring SEO best practices across pages.
- Utilized GA4 and Search Console to monitor rankings and guide optimization decisions.

► **Digital Marketing Analyst** | DotMappers Pvt. Ltd. (Bengaluru, India)

Dec 2017 – Mar 2019

- Supported on-page optimization initiatives including keyword targeting and metadata improvements.
- Conducted competitor analysis to identify ranking and link building gaps with growth opportunities.
- Assisted with technical SEO improvements and performance monitoring.
- Contributed to landing page optimization and content updates to strengthen organic performance.
